

LINESSE

Characteristics

LINESSE is a viscose fabric and offers a choice of warm earth colours and tender pastel colours, which partly correspond to the colours of our SURBALIN.

Application possibilities

- _ book cover, back strip, full and half binding
- _ cover material for slipcases, ring binders, luxury cardboard boxes

Processing possibilities

- _ printable in offset printing and screen printing
- _ blind embossing and hot foil stamping
- _ glue-proof laminated on paper
- _ good creasability

We will be happy to provide you with further processing-relevant material information.

Certificates/Environment

FSC®-certified, REACH

Produced in Europe according to DIN ISO 9001 and 50001.

Generally, all fabric types are solvent-free, free from chlorinated hydrocarbons, formaldehyde-free, skin-friendly and biodegradable.

The used dyes do not belong to the category of hazardous substances and are also biodegradable.
