

VIENNA

Characteristics

VIENNA is a viscose fabric with a noble appearance and it is impressing by its unexcited brilliance and pleasantly soft feel.

Application possibilities

- _ book cover, back strip, full and half binding
- _ cover material for slipcases, ring binders, luxury cardboard boxes

Processing possibilities

- _ printable in offset printing and screen printing
- _ blind embossing, hot foil stamping
- _ glue-proof laminated on paper
- _ good creasability

We will be happy to provide you with further processing-relevant material information.

Certificates/Environment

Vegan, EN71-3, REACH
Produced in Europe.

Generally, all fabric types are solvent-free, free from chlorinated hydrocarbons, formaldehyde-free, skin-friendly and biodegradable.

The used dyes do not belong to the category of hazardous substances and are also biodegradable.
